

# 3D Design

## Summer Work 2026

### TASK 1- RESEARCH:

Go onto Pinterest or visit some galleries and collect at least 10 images from a variety of sculptors/ architects that really inspire you. This will help paint a picture of your interests and may provide good starting points as your projects progress.

### TASK 2- DRAWING

Do a 5 hour A4 pencil drawing of an object or building that means something to you.

Fill the page and be as detailed and accurate as you can using a range of tonal values and textures.

We hope you have a lovely summer and we look forward to seeing you in September.
