

Economics Summer Work 2026

Over the summer, we would like you to complete some courses using Open Learn. This is part of the Open University, and you can make a free account and access over 1,000 free courses.

For Economics, we would like you to complete the course Different Types of Business which will take up to 3 hours. Show us your certificate of completion in September.

To access the course, click on: <https://www.open.edu/openlearn/money-business/business-strategy-studies/different-types-business/content-section-0?active-tab=description-tab>

If you'd like to complete any other course, please fill your boots! We will recognise this achievement when you start at Oakes.
